

# peachcourt.com Privacy Policy

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally identifiable information' (PII) is being used online. PII, as used in US privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

## **What personal information do we collect from the people that visit our blog, website or app?**

When ordering or registering on our site, as appropriate, you may be asked to enter your name, email address, mailing address, phone number, credit card information or other details to help you with your experience.

## **When do we collect information?**

We collect information from you when you register on our site, place an order or enter information on our site.

## **How do we use your information?**

We may use the information we collect from you when you register, make a purchase, sign up for our newsletter, respond to a survey or marketing communication, surf the website, or use certain other site features in the following ways:

- To personalize user's experience and to allow us to deliver the type of content and product offerings in which you are most interested.
- To improve our website in order to better serve you.
- To quickly process your transactions.
- To send periodic emails regarding your order or other products and services.

## **How do we protect visitor information?**

We are committed to protecting your privacy. PeachCourt is compliant with the Payment Card Industry Data Security Standards (PCI DSS). All of your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive information you supply is encrypted via Secure Socket Layer (SSL) technology.

All credit card information and transactions are stored and processed through a 3<sup>rd</sup> party gateway provider (Authorize.net). Authorize.net is also required to be compliant with all PCI DSS standards.

## **Do we use 'cookies'?**

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site's or service provider's systems to recognize your browser and capture and remember certain information. For instance, we use cookies to help us remember and process the items in your shopping cart. They are also used to help us understand your

preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

**We use cookies to:**

- Understand and save user's preferences.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser (like Internet Explorer) settings. Each browser is a little different, so look at your browser's Help menu to learn the correct way to modify your cookies.

**If users disable cookies in their browser:**

If you disable cookies, login and registration will be disabled. You will be able to read our Home page but you will not be able to login and place orders on the site.

**Third Party Disclosure**

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information unless we provide you with advance notice. This does not include website hosting partners and other parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or others' rights, property, or safety.

However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

**Third party links**

We do not include or offer third party products or services on our website.

**Google**

Google's advertising requirements can be summed up by Google's Advertising Principles. They are put in place to provide a positive experience for users.

We have not enabled Google AdSense on our site but we may do so in the future.

**California Online Privacy Protection Act**

CalOPPA is the first state law in the nation to require commercial websites and online services to post a privacy policy. The law's reach stretches well beyond California to require a person or company in the United States (and conceivably the world) that operates websites collecting personally identifiable information from California consumers to post a conspicuous privacy policy on its website stating exactly the information being collected and those individuals with whom it is being shared, and to comply with this policy. - See more at: <http://consumercal.org/california-online-privacy-protection-act-caloppa/#sthash.0FdRbT51.dpuf>

### **How does our site handle do not track signals?**

We honor do not track signals and do not track, plant cookies, or use advertising when a Do Not Track (DNT) browser mechanism is in place.

### **Does our site allow third party behavioral tracking?**

It's also important to note that we do not allow third party behavioral tracking.

### **COPPA (Children Online Privacy Protection Act)**

When it comes to the collection of personal information from children under 13, the Children's Online Privacy Protection Act (COPPA) puts parents in control. The Federal Trade Commission, the nation's consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

We do not specifically market to children under 13.

### **Fair Information Practices**

The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

### **In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur:**

- We will notify the users via in site notification within 7 business days.

We also agree to the individual redress principle, which requires that individuals have a right to pursue legally enforceable rights against data collectors and processors who fail to adhere to the law. This principle requires not only that individuals have enforceable rights against data users, but also that individuals have recourse to courts or a government agency to investigate and/or prosecute non-compliance by data processors.

### **CAN SPAM Act**

The CAN-SPAM Act is a law that sets the rules for commercial email, establishes requirements for commercial messages, gives recipients the right to have emails stopped from being sent to them, and spells out tough penalties for violations.

### **We collect your email address in order to:**

- Process orders and to send information and updates pertaining to orders.
- We may also send you additional information related to our product and/or service.

### **To be accordance with CANSPAM we agree to the following:**

- We will not use false, or misleading subjects or email addresses
- We will identify the message as an advertisement in some reasonable way
- We will include the physical address of our business or site headquarters
- We will monitor third party email marketing services for compliance, if one is used.
- We will honor opt-out/unsubscribe requests quickly
- We will allow users to unsubscribe by using the link at the bottom of each email

**If at any time you would like to unsubscribe from receiving future emails, you can**
